

# Instructions for Obtaining ANESTHESIOLOGY Continuing Medical Education (CME) Credit

CME Editors: Leslie C. Jameson, M.D., and Dan J. Kopacz, M.D.

ANESTHESIOLOGY's Journal CME is open to all readers. To take part in ANESTHESIOLOGY Journal-based CME, complete the following steps:

1. Read the CME information presented on this page.
2. Read this month's article designated for CME credit (listed on the right) in either the print or online edition.
3. Register at <http://education.asahq.org/2014-journal-cme>. Nonmembers will be asked to provide payment.
4. Achieve a score of at least 50% correct on the six-question online journal CME quiz and complete the evaluation.
5. Claim credit in 15-minute increments, for a maximum of 1 *AMA PRA Category 1 Credit*™ per journal article.

## CME Information & Disclosure

**Purpose:** The focus of ANESTHESIOLOGY Journal-based CME is to educate readers on current developments in the science and clinical practice of anesthesiology.

**Target Audience:** ANESTHESIOLOGY Journal-based CME is intended for anesthesiologists. Researchers and other health care professionals with an interest in anesthesiology may also participate.

**Accreditation:** The American Society of Anesthesiologists is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

**CME Designation Statement:** The American Society of Anesthesiologists designates this Journal-based CME activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

## Rates

Two options are available:

	ASA Member	Non-member
Annual Fee	\$0	\$120
Per Issue	\$0	\$20

Payment may be made using Visa or MasterCard.

Please direct any questions about Journal-based CME to: [EducationCenter@asahq.org](mailto:EducationCenter@asahq.org)

**Date of Release:** September 2014

**Termination Date:** September 2017

## This Month's ANESTHESIOLOGY Journal-based CME Article

Read the article by Mutter *et al.* entitled "A Matched Cohort Study of Postoperative Outcomes in Obstructive

Sleep Apnea: Could Preoperative Diagnosis and Treatment Prevent Complications?" on page 707 of this issue.

## Learning Objectives

After successfully completing this activity, the learner will be able to anticipate the risk of respiratory complications in diagnosed and undiagnosed patients with obstructive sleep apnea (OSA), anticipate the risk of cardiovascular complications in diagnosed and undiagnosed patients with OSA, and recognize the risk of comorbid conditions on the development of complications in patients with OSA.

## Disclosures

**Editor-in-Chief:** James C. Eisenach, M.D., receives consulting fees from Medtronic, Adynxx, Vertex, NeurogesX, Targacept, and Aerial Biopharma.

**CME Editors:** Leslie C. Jameson, M.D., receives honoraria from Masimo and honoraria from GE Medical International. Dan J. Kopacz, M.D., has ownership in Solo-Dex LLC.
