

Erratum

No Differences in Renal Function between Balanced 6% Hydroxyethyl Starch (130/0.4) and 5% Albumin for Volume Replacement Therapy in Patients Undergoing Cystectomy: A Randomized Controlled Trial: Erratum

In the article beginning on page 67 in the January 2018 issue, Dr. Pagel's name was listed incorrectly in the byline. It should have appeared as Judith-Irina Pagel, M.D.

The authors regret this error. The online version and PDF of the article have been corrected.
